

Gauge Error Boundaries

```
const angle = 0;  
const errorRanges = [15, 25, 30];  
  
// ...converts into...  
  
const wedges = [  
  { start: -30, end: -25 },  
  { start: -25, end: -15 },  
  { start: -15, end: 0 },  
  { start: 0, end: 15 },  
  { start: 15, end: 25 },  
  { start: 25, end: 30 }  
]
```

Gauge Error Boundaries

```
const angle = 10;  
const errorRanges = [15, 30];
```
